**TRANSMITTAL OF INFORMATION DISCLOSURE STATEMENT
WITHIN THREE MONTHS OF FILING OR
BEFORE MAILING OF FIRST OFFICE ACTION (37 C.F.R. § 1.97(b))**

This Transmittal supplements Applicants' Transmittal of Information Disclosure Statement of March 14, 2003. Because there has been no first Office Action on the merits in the above-identified application, Applicants submit, pursuant to 37 C.F.R. § 1.97(b), the enclosed Form PTO-1449, which identifies two United States Patent Applications, Serial No. 08/033,233 and 09/099,188.

Although these references were discussed in the Transmittal of March 14, 2003, they were inadvertently, and without any deceptive intent, omitted from the Form PTO-1449 that accompanied that Transmittal. Copies of these applications are not included because they are cumulative of United States Patent No. 5, 577,369, which has already been submitted in the prosecution of this application.

This submission is not an admission that any enclosed reference anticipates, or that any reference or any combination of references renders obvious, any claim in the above-identified application. Nevertheless, the Examiner is requested to consider carefully the complete disclosures of the enclosed references in connection with the examination of the above-identified application. It is requested that the listed references be made of record and included in the "References Cited" portion of any patent issuing from this Application.

There should be no fee required with this submission. In the event, however, that any fee may be due, the Commissioner is hereby authorized to debit our Deposit Account No. 23-0280. I thank you in advance for your cooperation in this matter.

Respectfully submitted,
